

Job Summary

SunPeak, a Madison, Wisconsin-based solar photovoltaic (PV) developer is looking for a full-time Wisconsin Licensed Master Electrician to supervise, lead, direct and coordinate electrical installations at its construction/work site(s), ensuring work is performed productively, safely and with the expected quality meeting all NEC requirements.

Essential Job Functions

- Supervise the electrical installation of commercial rooftop and ground-mounted solar PV systems.
- Oversee work among electricians, subcontractors, and other trades to promote a coordinated and efficient installation.
- Manage subcontractors.
- Project management duties including setting up jobs, assistance with bidding, estimating, and ordering materials.
- Communicate with management and clients in connection with field issues.
- Investigate and resolve field issues.
- Manage the work to ensure that it is installed in compliance with and conforms to the project plans and approved contract documents.
- Pull permits as necessary, with the assistance of administration staff.
- Perform miscellaneous job-related duties as assigned.
- Contribute to overall company improvements and decisions.
- Provide technical support for business development teams.
- Acquire licensing in other jurisdictions as needed by the company.

Requirements

- Wisconsin Master Electrician License
- Must be able to secure additional licensing in other jurisdictions
- 5 years of management experience
- Must be able to read and comprehend electrical plans and specifications
- NFPA 70E training (preferred)
- Must be able to adapt and adjust quickly to changes
- Able to work in heat, cold, rain environment
- Must be able to stand, kneel, crouch, twist, work in tight areas, and climb a ladder
- OSHA 30

- Must be able to travel

Compensation and Benefits

This is a full-time position with competitive pay and benefits.

To apply for this position, please send a resume and cover letter to careers@sunpeakpower.com.

More about SunPeak

SunPeak is a commercial solar PV developer headquartered in Madison, Wisconsin.
